

ProCharger Systems for Dodge HEMI Ram

BOLT ON
45-50⁺%
MORE POWER

The Most Advanced Supercharger System for 2004-08 5.7 Hemi Rams (2009-11 coming soon)

The HO Intercooled ProCharger system for Dodge HEMI 5.7 Ram trucks produces an industry leading **45-50% power gain** on stock motors running pump gas, with 6 psi of intercooled boost. Higher boost levels are possible for modified motors. Industry exclusive features include a standard 3-year warranty on the intercooler and 1-year warranty on the supercharger (Optional 3-year supercharger warranty available).

HO Intercooled System

- The industry's coolest charge air temperatures and largest power gains
- P-1SC-1 ProCharger, 3 core air-to-air intercooler are standard
- Patented self-contained oiling, with three year supercharger warranty available
- System is 100% complete
- OEM quality and appearance

HO Intercooled Tuner Kit

- Omits fuel injectors and programming
- Otherwise identical to HO Intercooled System

Options

- Satin supercharger finish standard. For polished finish add \$250
- Specify upper (standard) or lower (\$100 upgrade) mount intercooler (see reverse)
- Add \$100 for upgrade to helical gearset for noise reduction
- Add \$230 for D-1SC upgrade (Tuner Kit only)

HO Intercooled System **\$6,196 MSRP**

HO Intercooled Tuner Kit **\$5,396 MSRP**

Effective 8/26/11; supercedes all previous price lists
